Dear Students, Parents, and Guardians,

I am sure we all need time to relax and renew our energy during Spring break which starts this afternoon at 12:30PM! I wish everyone who celebrates a wonderful Passover, Easter, or Holi and for those who do not celebrate these holidays, springtime is always a reason to celebrate as the days begin to get warmer and the flowers begin to bloom. **The high school has additional teachers returning to the building after break and an updated list of courses that will be taught in person will be provided to the community by April 9, 2021.** We have already expanded in person learning to allow English Language Learners and students with special needs to attend four days a week. We will be expanding opportunities for the students who have been attending in person in Cohorts 1 and 2 to combine to 4 days a week soon as well. If a student is designated remote only and wishes to switch to in person learning, a parent or guardian must reach out to their counselor or me directly to make this request and we will try to make the accommodation within 2 weeks of the request if space is available. We are still bound by 6 feet social distancing requirements in high school classrooms at this time due to the local infection rate.

On April 15th and 16th, 2021, Lifetouch will be taking pictures of our students in grades 9 – 11 in our Cafeteria from 1PM – 5PM. Since the underclassmen images only takes approximately 1 minute to get captured (there are NO camera cards needed to hand to the photographer), the students will line up at door 16 and be brought into the building one at a time to be photographed. Standard social distancing protocol and temperature screening will be followed. We encourage all our students to come and get their pictures taken to update their school ID pictures, which are needed for entrance to SATs, ACTs, and for Driver's permits and licensing at the DMV. We also would like to provide photos for our annual Yearbook so the seniors can remember our students' faces! Please see the attached [Lifetouch order form](#) for more information.

Enjoy the vacation and please remember that our building will be closed to in person learning from April 6th - April 14th, 2021. All classes will be remote only allowing those who travel during vacation to quarantine safely.

Take Care and Stay Healthy OWLS!

CC: Dr. Scott Taylor, Superintendent
Mr. Jason Richardson, Assistant Principal
